

Supporting Refugees IN EDINBURGH

WHAT WE CAN DO

Pledge to sponsor a family

to help bring the 'Refugees Welcome' scheme to the UK. Before the scheme is active, we can pledge money to support the scheme in the future. Altogether we need to raise £20,000. More information about 'Refugees Welcome' is on the EJLC website.

Pledge your skills

The scheme asks for more than financial support. It is intended to help with integration into UK society. You can pledge your skills to accompany refugees on this process
